The attendance at this year's Anzac services has astounded everyone. For our Anzac service & march on Sunday April 21st we had a great crowd turn up on what was a beautiful sunny day. Iain Townsley on pipes, Tom Steele on bugle and the wonderful 'Croydon Citizen's Brass Band' all did a superb job, as did our speakers Cr Maria McCarthy, Christine Fyffe MLA, Tony Smith MP and the Rev Richard Schoenmaker. Our speaker guest was Major Russell Kirby who gave a significant talk on the meaning of Anzac Day & told the story of Major Scurry, a local farmer who helped get our men off Gallipoli. This was followed by the march, made special this year by the inclusion of a 1967 Mustang to help carry our veterans, and an afternoon tea and refreshments back at the club.

The crowds at our Dawn Service were really amazing, some estimated two thousand plus and there was hardly any room left in the park. This was the first year we'd held this event at the park and it proved to be a success with the crowd enjoying the unique bush surrounding and the sound of kookaburras, magpies & possums. It was also the first time we had the services of Iain Townsley and his bagpipes and our good friend Karin Meyer once again played the bugle movingly. Special guests this year were four RAAF servicemen, including locals Sean & Justin Starrenburg, who came down from NSW to be at our service. The free breakfast afterwards was wonderful and many got to join Iain's traditional 'gunfire' brew. *(Photos inside)*

## PRESIDENT'S REPORT

Well it has certainly been a very busy period for the Mt Evelyn RSL recently – the highlight being our Anzac services. On Sunday April 21<sup>st</sup> a service was held at the 'Mt Evelyn War Memorial Gardens' where the local community and community groups came together to pay tribute to our Anzac heritage. Veterans and community groups then marched down Birmingham Rd accompanied by the Croydon Citizens Brass Band and concluded at the RSL where a delicious afternoon tea was prepared by the RSL ladies and refreshments courtesy CFA.

A record number attended the awe-inspiring & solemn Dawn Service which was held for the first time at the 'Mt Evelyn War Memorial Park' on Anzac Day. It was a fitting tribute to those who served, suffered and died in defence of our nation. At the conclusion of the service everyone was invited back to the RSL where we paid tribute to our late member, Dr Bill Hardy, by having his children unveil his name on a plaque in our memorial garden. Afterwards the community enjoyed a free breakfast funded by Cr Maria McCarthy and wonderfully cooked and organised by Sue Harty & the Mt Evelyn Football/Netball Club.

On behalf of the Mt Evelyn RSL I would like to thank the following who helped make these events such a success: Melina Bengar & the Croydon Citizen's Brass Band, Tom Steele, Karin Meyer, Piper Iain Townsley, Mt Evelyn Community Schools Choir especially the music teachers Angela Glennie, Jenny Barker & Trista Fry, the students who participated and the parents who got them there, Cr Maria McCarthy, Christine Fyffe MLA, Tony Smith MP, Rev Richard Schoenmaker, the Mt Evelyn Christian Reformed Church, Major Russell Kirby, Major Tony Geyer, the Mt Evelyn Scouts, Guides, CFA, Football/Netball Club, Chamber of Commerce, Rene Belyus (a superb job with the sound system), Rob Sibbing, Siobhan Perry (with her 1967 Mustang), Sgt Sean Starrenburg, AC Justin Starrenburg, Jim Armstrong, Georgina Bennett, Ray Fellows, Tim Heenan, Jim Hurley, St Johns Ambulance, John, Christine & Peter Hardy & Sue Harty.

Anzac Day concluded with the traditional Two-Up at the 'York on Lillydale'. I thank everyone who attended and played in the spirit of the Anzacs. Many thanks to manager Ben Warden, his team & staff for facilitating the game, convenors: Doddy, Dean, Rick, Pete, Tippy, Mark, Cappy, Nam, Mark, Tash, Taylor, Andy & Stacey, also Dot & her team who sold tokens & Wendy McGowan who organised the raffle. – LEST WE FORGET – *Roger Boness*

## APPEALS OFFICER'S REPORT

I am very pleased to announce that Mt Evelyn again achieved another record in our Anzac token sales - **\$4238**. Once again this is due to the great support from the Mt Evelyn community and the gallant band of volunteers who sold tokens from our stall outside of Mt Evelyn IGA over two weeks. Many thanks to those who helped out: Deanne, Elsa, Geoff, Rod, Julie, Wendy, Ted, Sandra and Rob for counting.

Thanks also to the Mt Evelyn Chemist for their support and to Wandin Yallock Primary School who sold badges for us and to Jenny who sold badges at Reece. Thanks again to the Wandin Traders for their support.

I also want to say many thanks to those ladies who assisted with the catering for our Sunday Anzac service: Wendy, Elsa, Jenny, Deanne, Erin & Sandra.

Regards, *Dot Ervine* – Mt Evelyn RSL Appeals Officer

## MAMA'S BIBLE

Four brothers left home for college and became successful doctors and lawyers.

Some years later, they chatted after having dinner together. They discussed the gifts they were able to give their elderly mother who lived far away in another city.

The first said *'I had a big house built for Mama'.*

The second said, *'I had a hundred thousand dollar theatre built in the house'.*

The third said, *'I had my Mercedes dealer deliver an SL600 to her'.*

The fourth said, *'You know how Mama loved reading the Bible and you know she can't read anymore because she can't see very well? I met this preacher who told me about a parrot that can recite the entire Bible. It took twenty preachers 12 years to teach him. I had to pledge to contribute \$100,000 a year for twenty years to the church, but it was worth it. Mama just has to name the chapter and verse and the parrot will recite it.'*

The other brothers were impressed.

After the holidays their mother sent out her 'Thank You' notes.

She wrote: *'Milton, the house you built is so huge; I live in only one room, but I have to clean the whole house. Thanks anyway'.*

*'Marvin, I am too old to travel. I stay home; I have my groceries delivered, so I never use the Mercedes. The thought was good though. Thanks.'*

*'Michael, you gave me an expensive theatre with Dolby sound, it could hold 50 people, but all of my friends are dead, I've lost my hearing and I'm nearly blind. I'll never use it but thank you for the gesture just the same'.*

*'Dearest Bob, you were the only son to have the good sense to give a little thought to your gift. **The chicken was delicious'.***

**A fellow raced into the bar and said to the barman, "Quick, give me four pots before the fight starts!"**

He received the pots and proceeded to 'down' them when the barman asked, 'When DOES the fight start?'

"When I tell you I can't pay for these beers", came the reply.

## How Old Is Grandma?

One evening a grandson was talking to his grandmother about current events. The grandson asked his grandmother what she thought about the shootings at schools, the computer age, and just things in general.

The Grandma replied, 'Well, let me think a minute, I was born before: television, polio shots, frozen foods, Xerox, contact lenses, Frisbees and the pill.

There was no: Radar, credit cards, laser beams or ball-point pens. Man had not invented: pantyhose, air conditioners, dishwashers, clothes dryers and the clothes were hung out to dry in the fresh air and man hadn't yet walked on the moon

Your Grandfather and I got married first, . . and then lived together! Every family had a father and a mother! Until I was 25, I called every man older than me, 'Sir'. And after I turned 25, I still called policemen and every man with a title, 'Sir.'

We were before gay-rights, computer- dating, dual careers, day-care centres, and group therapy.

Our lives were governed by the Ten Commandments, good judgment, and common sense! We were taught to know the difference between right and wrong and to stand up and take responsibility for our actions. Serving your country was a privilege; living in this country was a bigger privilege. We thought fast food was what people ate during Lent! Having a meaningful relationship meant getting along with your cousins!

This may shock you but by this reckoning Grandma would only be **60 years old!**

## Unveiling of Dr Bill Hardy Plaque

On Anzac Day we were honoured to have present Dr Bill Hardy's children; John Hardy (along with his daughter), Christine Hardy & Peter Hardy to unveil their father's name in our Memorial Garden. On the day Cr Maria McCarthy introduced the family and spoke about how highly regarded Dr Hardy was in the community and at the RSL in particular.

## Visit by the Melbourne Cycling Club

On Anzac Day members of the Melbourne Cycling Club decided to ride their bikes along the Warburton Trail from Lilydale to Warburton. They had pre-arranged with the RSL to stop at Mt Evelyn and lay a wreath at our war memorial as it was so close to the trail itself. Members of the Mt Evelyn RSL joined with the cyclists for a small ceremony in the war memorial gardens.

**Photo: Deanne Webb**

Our Vice-Presidents were certainly busy over the Anzac period. Jim Hurley (left) represented the Mt Evelyn RSL at the Wandin ceremony, performing 'The Ode', & Iain Townsley (right) played his pipes almost non-stop including at both of our services, at the Anzac Day march in Melbourne and at ceremonies at five local schools.

# THE NEW KITCHEN & FLOOR

The floor of our hall has just been re-sanded and re-stained and it looks fantastic (see below). Paul O'Reilly, a great supporter of the club, and his mates did a superb effort and we can highly recommend his work.

Our kitchen has also been completely renovated (see left) courtesy of the Shire of Yarra Ranges and now contains: new cupboards, new bench tops, new lino, new blinds and new tiles on the walls.

New curtains are also being added to the hall as well.

## **CLUB GETS BUS TRIPS GRANT**

The Mt Evelyn RSL was recently successful in getting a grant from DVA to help fund bus trips for our members over the next three years.

This is a chance to offer our members the opportunity to get out and visit some great sites around Victoria and enjoy some wonderful day outs.

Details of our first trip to be announced soon. But if anyone has any ideas or suggestions as to where we could go please pass them on.

# GREETINGS FROM GUADALCANAL

One of our members, L/Cpl Chris McAleer, is currently on active service in the Solomon Islands as part of 'Operation Anode'. He sends this report...

*Hi all! 'Operation ANODE' is the name of the Australian Defence Force's contribution to the Australian-led 'Regional Assistance Mission to Solomon Islands' which has assisted the Solomon Islands Government in maintaining stability, law and justice, economic governance and improving the machinery of government since 2003. I can't talk about our role over here too much other than to say we are here to help with the local police, as well as the Federal police, to assist with bringing about stability to the Solomon Islands.*

*The base over here is the old Guadalcanal beach resort which is now a base for Army and Federal police from about ten Pacific Island nations. The housing is very good for the Army with two soldiers per room, with air con in every room, and the food is fantastic. There is also an Aspen Medical Centre on base with good staff as well as local people working all over in the kitchen, laundry and gardens.*

*I did a tour of the local history sites here. I went to some of the big American battle fields such as Bloody Ridge, Alligator Creek and Alston Hill where the US Marines were legendary. I will also be going to see where President John F Kennedy's Patrol Boat (PT109) was during the war and later will be going to Tulagi in the Gavutu Islands to see the Japanese caves and bunker systems that are still there.*

*You can see remains from World War Two all over the place (see photos below); fox holes, fighting pits, as well as ship wrecks on the beach from where Kawaguchi's men landed when they were getting ready for the attack on Bloody Ridge.*

# GREAT NEW BOOK FOR SALE!!

“MY BOYS”

MRS AENEAS GUNN

*A BOOK OF REMEMBRANCE*

**MRS AENEAS GUNN OBE**

## **‘MY BOYS – A BOOK OF REMEMBRANCE’** *By Mrs Aeneas Gunn*

The Mt Evelyn RSL has a number of copies of this wonderful book produced by our comrades at the Monbulk RSL.

The book was originally written by Mrs Aeneas Gunn OBE (author of the classic Australian novels ‘We of the Never Never’ & ‘The Little Black Princess’) who presented the manuscript to the Monbulk RSL. The book tells the story of every Monbulk enlistee who served in the Boer War (1899-1902), the Boxer Rebellion (1900) and the First World War (1914-1918), all men she knew and who she helped. An introductory chapter tells the story of this amazing woman’s devotion and care for the returned servicemen of Monbulk. Published forty years after her passing the book stands as a testament to one township’s sacrifice to Australia’s military heritage.

The book is hard cover with a dust jacket, b/w images, 219 pages, all numbered from a limited edition of 1000.

**Cost only \$30.**

# BILL HARRISON'S STORY – pt 1

**This is the story of one of our past members, Bill Harrison. Bill served with the 1<sup>st</sup> Independent Company during World War Two and was a member of the Mt Evelyn RSL for a short time in the 1990's. In 1999 Anthony McAleer sat down with him and interviewed him about his memories of the war. What follows is Bill's story.....**

## **Where did you grow up?**

I was born on the 10<sup>th</sup> of October 1920 in Oatley, NSW, the eldest son of Wilfred Henry & Annie Harrison. I grew up mainly in King St, Richmond but just before the war we moved to Blair St, Bentleigh or East Brighton it was called in those days. In about 1932 we also acquired a cottage in Mt Evelyn and I spent a lot of time around there also in my youth.

Two of my younger brothers and I use to play soldiers in the bush there. My grandfather and father had both been in the First World War so we had a German tin helmet and two Australian tin hats and we use to shoot at each other with shanghais and things. Mind you we had a code to always hit each other on the hat so it would bounce off and not hurt anyone in the face.

## **What was the attitude in your family as to what was happening in Europe in the years before the war?**

We were very much English conscious, I still am actually – I still think England was the most wonderful country the world has ever seen. My father was the only one of his family not born in England so I had grown up on a diet of the British Empire. But I would say that anything to do with European politics ceased to have any interest for us after 1919, the end of the First World War. The prime opinion was the British opinion in our consciousness; well that's what I believe anyway.

## **What are your memories of hearing war was declared?**

I was at 'University High School' then but at the time I was recovering from polio, I was almost over it, it was more a state of mind by then. When we heard that war was declared we marched through the house singing 'Rule Britannia' and things like that, even though I was still a little bit feeble at the time. My brother went along to the local newsagent and made a few bob for himself selling special newspapers that had been produced to announce the outbreak of war. In those days there use to be about five editions of the paper everyday but this was a special edition produced for the start of the war.

## **Once war was declared, what was the attitude to the Germans?**

Germans were always closer to us than most foreigners, in fact we scarcely thought of Germans as foreigners. We knew some German people, it was like we had our English connections and they had their German connections. They were completely Australianised Germans so I don't think the war affected them. We had so much in common with them, they are pretty much like us, in fact with a bit more luck they could have been English. I think that's the reason why there was more anti-Japanese sentiment than anti-German. Well the Japanese were barely human I think.

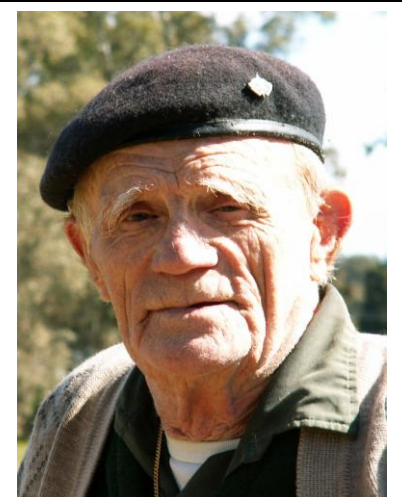

## **What was the attitude then to the Italians when they came into the war?**

Remember in the First World War the Italians were on our side, they were one of the Allies, and they suffered probably the worst percentage of casualties of any of the Allies. They did a darn good job too within their limitations. When they were all patriotically inclined, they fought like tigers, really admirable. I think we really thought of them as good guys who had slipped off the track a bit. I believe that the Italian people's hearts weren't in the war; I really believe that the ordinary Italians weren't in favour of it. This is why they put up such a poor performance. **(Left: Bill Harrison)**

***Next issue: Bill enlists and soon becomes a Commando!***

The RSL is a great facility for anyone who requires a

weekends this facility lies idle and the RSL could be  
making (albeit a small amount of) money from hiring  
it to interested parties. We would greatly appreciate  
your input if you know of anyone who might be  
interested in hiring the hall for a night or on an  
ongoing basis. However no Bucks/Hens or under  
25's parties!
